## Internship Reference

Mr Dylan Herbig born on 20 March 2001 was employed in our company from 1 June 2021 to 31 July 2021 as an Intern.

Mr Herbig joined the IT-team for the whole internship and his assignments mainly consisted of the following:

- Softwaredevelopment Java backend
- Java Springboot
- Angular
- Amazon Web Service
- PostgreSQL

In each stage of the internship, Mr Herbig consistently acquired good specialist knowledge in a very short time and was always able to incorporate and implement it successfully in his daily work. His ability to familiarise himself was excellent; therefore, he always grasped even complex training content very quickly. Mr Herbig had the ability to cope under pressure, was a highly motivated and exceptionally responsible colleague. During the entire internship, Mr Herbig stood out because of his extremely high and excellent eagerness to learn. He completed all his tasks commendably, even under the most difficult working conditions and under extreme time pressure.

He always worked with extraordinary diligence and an excellent sense of responsibility. Trustworthiness and absolute reliability characterised the work ethic of Mr Herbig at all times.

From the very beginning of the internship, he always achieved very good work results. We were always extraordinarily satisfied with the performance of Mr Herbig during his internship in every respect.

He was highly appreciated and enjoyed great popularity because of his consistently very friendly, sociable and balanced disposition. His behaviour towards the management, instructors, colleagues and customers was always exemplary in every respect.

Mr Herbig is leaving our company on 31 July 2021 at the end of the internship. We would like to thank him for his consistently very good performance and very pleasant collaboration at all times. We wish him continued success and all the best for his future career and private life.

Gelsenkirchen, 31 July 2021

Jörg Hagemeier  
Head of HR
